Ultimate™ HangTime™ adjustable systems provides maximum flexibility for players of all ages. The heavy-duty right angle crank can be locked to avoid unauthorized height adjustment with the optional BALOCKHT™ HangTime™ rim height locking device. Choose from 6" square or 5" square heavy wall steel poles and unbreakable clear Polycarbonate, tempered glass or steel backboards. All HangTime™ adjustable systems come standard with outdoor breakaway goal. Pole system features 50" safe play area @10' and flared pole padding. The entire system is powder coated with a durable textured black finish. Other features include removable pedestal base, easy-to-read height indicator and spring assist mechanism to make rim height adjustment effortless. Adjustment from the standard 10', down to 7 1/2' for the future super stars in your group. See the chart above for the 6 Ultimate™ HangTime™ Adjustable Systems options.
